

IMMÄÄLIIA

wellness spa

P H I L O S O P H Y

Imalia SPA was named after the beautiful Rhodian Nymph Imalia who, according to Greek mythology was loved by and united with God Zeus when he took the shape of rain.

Nymphs, in mythology were beautiful young female deities who lived in nature and were fed with ambrosia. They were singing and dancing especially close to springs which were their figurative representation. They are related to beauty, carefreeness and charm.

Nymph Imalia represents everything we would like you to feel during your visit in our SPA, but also afterwards.

In our sacramental space you will release the tension as well as achieve balance to your mind and spirit.

In a world where experience and emotion are harmoniously combined with effectiveness, we chose to offer you high level services of relaxation and beauty with the use of specialized plant-based products from the top cosmetics collection of APIVITA.

All our treatments are performed with natural products for the face and body, that are never tested in animals or protected species. Our formulas combine the power of Greek nature with key ingredients derived from high value bee products and medicinal herbs, enhanced by cutting edge "green" cosmetology.

Contact us and enjoy today your favorite form of rejuvenation and self-care, enjoy a holistic experience of beauty and wellness that will make your stay even more special.
